She can't drive yet - but she can use your car

Kids get spondylitis too. Donating an unwanted vehicle to SAA will help ensure that they have the resources they need to live life to the fullest, in spite of the disease. The process is quick, includes free pick-up or towing - and best of all - the proceeds go to improving the lives of spondylitis patients of all ages. The vehicle doesn't even have to run and you'll get a great tax deduction for your donation! Contact our car donation partner online by clicking the link below, or by phone at 888-SAA-3424 or 888-722-3424 and one of their representatives will help you with your donation.
