Imagine Dragons Lead Singer, Dan Reynolds, and CBS’s “The Doctors” Raising Ankylosing Spondylitis Awareness!

Imagine Dragons lead singer, Dan Reynolds, appeared on March 8th on the syndicated talk show *The Doctors* to speak about living with ankylosing spondylitis. See a clip and learn more below.
Predicting Crohn’s Disease in Those with Ankylosing Spondylitis

A recent study found a strong association between increased levels of an inflammatory marker in the gut and the subsequent development of Crohn’s disease in those with existing ankylosing spondylitis.

Clinical Trial Opportunity for Adults with Ankylosing Spondylitis

A phase 2B clinical trial is now recruiting ankylosing spondylitis patients over the age of 18, who have been diagnosed before the age of 45, and have been experiencing symptoms for at least three months.
Dan Reynolds from Imagine Dragons and Chef Helgi Olafson Discuss Living with Spondylitis

Helgi talks with Imagine Dragons lead singer Dan Reynolds for This AS Life Live!, a series that brings together people with ankylosing spondylitis (AS) to share stories, help inspire each other, and live their best lives.
