Upcoming Spondylitis Educational Seminar in Denver, CO

Join us Saturday, April 28th, 2018 for informative presentations on various aspects of spondylitis. The schedule includes a Rheumatologist and a Clinical Health Psychologist. There will be ample time for questions, as well as a chance to mix and mingle with other patients, families, and friends.

Register Now!

April is Spondyloarthritis (SpA) Awareness Month!

As part of this year's national campaign, we have developed a toolkit to draw attention to the need for timely diagnosis, and support for individuals who have been impacted by the disease.

Outreach to Primary Care Physicians – Earn CMEs while Reviewing Spondyloarthritis Signs and Symptoms

“Can You Spot Axial Spondyloarthritis? The PCP's Role in Timely Recognition and Referral”

SAA collaborated with Global Education Group, and Integritas Communications - accredited CME providers - on developing and promoting this online learning tool / CME program, and an accompanying eBook for Primary Care Physicians.

Opioid Medication Use in Those with Ankylosing Spondylitis

Opioids can be a significant source of pain relief for those experiencing moderate to severe ankylosing spondylitis (AS) symptoms who achieve little pain relief from antirheumatic treatments...
New Your Story Added: Riley

My name is Riley. I was diagnosed with Ankylosing Spondylitis in July of 2016. My symptoms began when I was 16 in the year of 2014. I would miss weeks of school because the pain was too much to handle...
